

Folding vacuum table with electric steam boiler and iron

SUN

- Height adjustable, folding ironing table
- Utility vacuum and electrically heated Maxi board
- Built-in suction unit controlled by pedal

MOON

- Electric steam boiler with manual water feeding, complete with electric steam iron
- Stainless steel boiler shell and cover
- Steam pressure automatically controlled by steam pressure switch

- Three safety devices fitted on the boiler: safety valve, thermostat and pressure switch

Technical Specifications	SUN	MOON
Voltage	230V/ 1 / 50-60 Hz	230V/ 1 / 50-60 Hz
Boiler heater	--	1,00 kW
Board heater	0,600 kW	--
Iron heater	--	0,800 kW
Suction motor	0,100 kW	--
Boiler capacity	--	2,5 l
Autonomy of operation	--	4 h
Steam pressure	--	2,5 bar
Board dimensions	1250 x 400 mm	--
Overall dimensions	1520 x 410 x 920 mm	430 x 250 x 180 mm
Net weight	22 Kg	7 Kg
Gross weight (carton-pallet)	32 Kg	--
Gross weight (carton)	--	11 Kg
Packing dimensions	1500 x 500 x 380 mm	600 x 450 x 540 mm
